budget & credit program

budget & credit program

This eight week course is designed to teach you how to manage your finances and help you to sort out your financial problems.

It involves teaching by a friendly presenter, participating in some interesting and informative exercises and joining in some group discussions.

You will receive a workbook that helps you to keep a record of all the subjects that are covered and that you can refer to in the future.

At the end of the course you will feel much more in control of your finances and above all the future will look much brighter!

topics

- ▶ goal setting
- ▶ basic budgeting
- ▶ using credit
- ▶ advertising and loyalty
- ▶ credit reports
- ▶ dealing with collections and old debts
- ▶ cashflow and detailed future budget
- ▶ other miscellaneous financial topics
